

Community Service

2023-2024

Every high school student at LCS must complete 75 hours of volunteer work as a part of their graduation requirements. All community service work must be completed for a non-profit organization and without any form of financial compensation or work credit. The student is required to make all arrangements regarding their service hours and turning in the required documentation to the school office.

Community Service Log						
Student Name:				Grade:		
Date	Hours Worked*	Agency Where Worked was Performed	Type of Work Performed	Supervisor's Name	Supervisor's Phone number	Supervisor's Signature
Total						

*Hours are to be tracked on a daily basis. Do not log a sum total of hours worked over an extended period of time.
