

Tutoring Registration

2023-2024

Lanham Christian School offers tutoring for K4 – 12th grade students who need additional help in all core subjects. Families can select half-hour time slots as many times a week as they desire.

1. A fee of \$15.00 per 30-minute time slot will be billed on the day of each lesson. When applicable, the cost of tutoring material will be charged when issued. Payment is due on the 15th day of the following month of the charge date and can be made by cash, credit card, or check in the LCS office. Families may also remit payment online via their RenWeb/FACTS account.
2. Students are registered for one semester, and will be automatically re-registered unless a family submits withdrawal from the program in writing. Families wishing to discontinue sessions at the end of the 1st semester should notify the LCS Business Office by January 6th.
3. Students will be schedule for sessions, either during the school day, if a study hall period is available, or at the end of the school day.
4. Students will be tutored in group no larger than two, with students of similar age or working on similar subject matter.
5. Effort will be made to reschedule time slots in the event of student illness or class field trips.
6. Students will not be billed for time slots if the tutor is not available.
7. Tutoring will not always involve direct homework help, rather, the tutor will work on skills to improve overall performance in the subject.
8. To receive the maximum benefits from sessions, the tutor may assign additional items for the student to complete between sessions.
